AMERICA'S MOST WANTED GAMES!

MOST WANTED HITS YOUR TOWN!

It's the biggest news ever to hit the streets! Citizens are advised to be on the lookout. America's Most Wanted have been spotted in your town! A Centurion with the power to transform into a werewolf. A young man seeking to remove a dragon's curse. A football legend named "sweetness." A little guy with big ears... and big adventures. A western Sheriff facing off

whole town of outlaws. A party of friends on a magic quest to end galactic tyranny.

Where can you find these mysterious, Most Wanted characters? On the new, hot Sega games, of course! They're just part of a game list that's over seventy titles long... and growing!

And who wants these exciting games? Millions of players from coast to coast who recognize Sega as the best gaming system. When it comes to arcade quality action and graphics, sophisticated game play and downright fun, kids know even before they sit down to play that Sega is the only one that has it all.

And this year we have more than ever before. Sega is rolling out hot, new game titles available exclusively on the Sega System. America's Most Wanted are here. It's time you took a look to see what you've been mis-sing.

WE SHOOT FOR EXCELLENCE

Sega knows what it takes to make a good game. We've been doing it for over twenty years in arcades worldwide. Titles like Scramble Spirit.™ After Burner.™ Out Run.™ Shinobi™ and many, many more. Enough to earn Sega an outstanding reputation as the Arcade Master.

Sega home games and systems have earned the same mark of excellence. That's because we've taken our hottest exclusive arcade titles and brought them home with the superior quality, action and excitement game players expect from a leader. To this we've added a fun, diverse library of innovative Sega games to appeal to the tastes of America's video gamers.

Our arcade muscle has been used to create the best systems in the market to play them on. All Sega Systems feature a powerful microprocessor to play the highest memory capacity games on the market... games with unsurpassed graphics, brilliant colors, phenomenal sound and multi-directional scrolling. Power Bases even come with hot Sega arcade and action hits built right in.

The best games and the best system. The combination equals excellence. In the eyes of gamers, that equals fun.

A HIT LIST OF GAMES

This year Sega has more to offer than ever before.

Each Sega software category is called out on the game package with brightly colored banners for easy selection. To this we are constantly adding hot, new arcade and license titles such as Dead Angle,™ Scramble Spirit,™ Ultima IV™ and Walter Payton™ Football.

The result is an up-to-date, exclusive software line that remains exciting and diverse for maximum appeal to gamers of all ages.

ON TARGET MEDIA AND SUPPORT

This fall Sega will roll out three new commercials in a high visibility TV support of our new game titles. And the Sega bimonthly gaming newsletter is getting even better with the addition of the new Sega Genesis system. From a current circulation of more than 200,000, the magazine is expected to reach over 500,000 heavy Sega users by year's end. The expanded newsletter will feature new game and product reviews, advanced playing tips and high reader input.

Get America's Most Wanted Games

Our dedication to fun, excellence and innovation has brought us to new heights of success. And this is only the beginning. America's Most Wanted are heading your way. With $180 million in sales under our belts from 1988, we're ready to say..."Play it again, Sam."
